

Metropolitan Action Commission

Energy Payment Assistance (Natural Gas, Electricity and other energy sources)

Assistance with Utility Payments

This program is for income eligible Davidson County residents an active account (not in collections or a final bill) with an energy/utility provider, such as natural gas or electricity.

Supporting Documentation Needed:

(If you are having trouble getting the required documentation, please let us know so that we can help or obtain the item electronically or call for verification)

- **Government Issued identification** (such as a driver license, passport, state or federal ID, military ID, birth certificate, or voter's registration card)
- **Most recent energy bill** (your monthly statement)
- **12-month billing summary** (available from your energy provider which shows your usage for the last 12 months. Please note this is not the same as your monthly statement)
- **Proof of Income for the past 4 weeks** (such as SSI, DHS Award letter, child support statement, paycheck stubs or Social Security benefit letter)
- **Copies Social Security Cards** of everyone in the home

The payment is sent directly to the energy provider on behalf of the customer.

Hours of Operations
